ARTICULATION AGREEMENT

HEALTHCARE

MIWORKFORCE PATHWAYS ARTICULATION AGREEMENT: HEALTHCARE

TO: MiWorkforce Healthcare Pathway Participating Institutions

FROM: Michigan Community College Association

SUBJECT: MiWorkforce Join/Modify Summary

The MiWorkforce Pathways agreement, signed on August 24, 2022, provides for institutions to modify worksheets and equivalencies or join the MiWorkforce Pathways agreement. Institutions have requested to make the following adjustments to the Healthcare Pathway:

CYCLE	INSTITUTION	JOINING/ MODIFYING
Fall 2022	Oakland University	Joining
Spr 2023	Grand Valley State University	Modifying
Spr 2025	Glen Oaks Community College	Modifying

MIWORKFORCE PATHWAYS ARTICULATION AGREEMENT: HEALTHCARE

BACKGROUND

Between 2017-2020, Michigan colleges and universities signed ten statewide multi-institutional associate to bachelor's degree transfer agreements in high volume transfer programs with generous support from a one-time state appropriations grant. With generous support from the Ascendium Education Group, the Michigan Community College Association (MCCA) again convened cross-sector stakeholders in 2021-2022 to develop and execute new multi-institutional bachelor's completion transfer agreements for students who have earned *applied* associate degrees from Michigan community colleges. While community college graduates in applied associate degree programs typically enter the labor market with the associate degree, it is becoming increasingly common for students and employers to seek a bachelor's degree after completing the applied associate degree.

The MCCA and Michigan's community colleges invited public universities and independent colleges and universities to join this work to expand bachelor's degree options for associate degree graduates. Interested bachelor's degree granting institutions submitted information about their programs to the MCCA for review and the MCCA engaged with community colleges to identify applied associate degree programs suitable for the agreements. This process resulted in four additional multi-institutional transfer agreements as outlined in this and other agreements. Information about all transfer agreements is regularly updated on the Michigan Transfer Network at www.mitransfer.org.

CONTENTS OF THE AGREEMENT

The contents of this agreement include the following:

- Terms of the Agreement
- Signatures of Participating Institutions
- Appendix A includes the full list of participating community college programs
- Appendix B includes the full list of participating bachelor's degree granting programs

MIWORKFORCE PATHWAYS ARTICULATION AGREEMENT: HEALTHCARE

TERMS OF THE AGREEMENT

1. This agreement is effective August 1, 2022, through June 30, 2025. Agreements are expected to renew every three years after (2028, 2031, etc.) unless participating institutions choose to leave the agreement following the protocol for leaving the agreement published at www.mitransfer.org.
2. Participating institutions agree that to use this agreement, students must apply and be admitted to the participating institution and to the program.
3. Participating institutions agree that all courses must be completed with a grade of C (2.0) or better unless otherwise indicated by the bachelor's degree granting institution.
4. Bachelor's degree granting programs identified in Appendix B agree to accept the applied associate degrees identified in Appendix A.
5. Bachelor's degree granting programs identified in Appendix B agree to accept the Michigan Transfer Agreement (MTA) in accordance with the institutions' MTA policy. Community college students are encouraged but not required to complete the MTA to participate in this pathway.
6. Community colleges identified in Appendix A agree to enforce institutional policies to review and award credit for prior learning (CPL) such that student's meet the learning outcomes of the course for which they are receiving credit and the policy meets institutional and programmatic accreditation requirements. CPL examples include Advanced Placement (AP), International Baccalaureate (IB), College-Level Examination Program (CLEP), DANTES, military training, industry credentials, credit for apprenticeship, credit by examination, and portfolio assessment. This opportunity is more common among students in applied associate degree programs since some students may have previous training or work experience that aligns with program requirements (i.e. CCNA I certification aligned with CIS 100).
7. Bachelor's degree granting programs identified in Appendix B agree to accept credit for prior learning previously applied to meet associate degree and MTA requirements at the participating community colleges identified in Appendix A.
8. Wherever possible, bachelor's degree granting programs identified in Appendix B will not limit transfer credit awards due to credit expiration.
9. Community colleges identified in Appendix A agree to add website links in the designated area of mitransfer.org which includes information about the associate degree program and transfer opportunities associated with this transfer agreement.
10. Bachelor's degree granting programs identified in Appendix B agree to add a website link in the designated area of mitransfer.org which will include information about this agreement, the bachelor's degree program, admission requirements, residency requirements, additional coursework that can be completed at the community college, and coursework remaining to complete the bachelor's degree.

MIWORKFORCE PATHWAYS ARTICULATION AGREEMENT: HEALTHCARE

11. Community colleges and bachelor's degree granting institutions interested in joining this agreement should follow the protocol and timeline for joining the agreement published at www.mittransfer.org and contact the Michigan Community College Association for additional information.
12. Institutions are expected follow the protocol and timeline published at mittransfer.org to make modifications to the agreement. Any modifications to the agreement should be communicated among participating institutions as soon as possible to avoid adverse impacts on students.
13. In the performance of their respective duties and obligations under this Agreement, each Party is an independent contractor, and neither is the agent, employee, or servant of the other. Each is responsible only for its own conduct.

MIWORKFORCE PATHWAYS ARTICULATION AGREEMENT: HEALTHCARE

SIGNATURES

By signing this agreement, institutions agree to the terms of the agreement.

MICHIGAN COMMUNITY COLLEGE ASSOCIATION

NAME/ SIGNATURE	TITLE	INSTITUTION
<i>Steven Fosgard</i>	VP of Instruction	Alpena Community College
<i>Dr. Laura Coleman</i>	President	Bay College
<i>Michael Gavin, Ph.D.</i>	President	Delta College
<i>Reva Curry, Ph.D.</i>	Vice President of Instruction and Learning Services	Delta College
<i>Eduardo Suniga, M.S. Ed</i>	Dean of Career Education and Learning Partnerships	Delta College
<i>Dr. David Devier</i>	President	Glen Oaks Community College
<i>Dr. Adam L. Cloutier</i>	Vice President of Academics	Glen Oaks Community College

APPENDIX A: PARTICIPATING COMMUNITY COLLEGES

Definitions

- Institution: The community college participating in the agreement.
- CIP Code: The six-digit CIP code assigned by the institution to the program. This information is helpful to cluster similar programs with different program names across institutions.
- CIP Program Name: The name of the program associated with that CIP Code
- Institution's Program Name: The name of the program name used at the institution.
- *Credits Required: Total credits required to earn the associate degree at the institution when the agreement was signed.

*This field includes the number of credits required for the associate degree. It is recommended that this be verified in the institution's current catalog.

INSTITUTION	CIP CODE	CIP PROGRAM NAME	INSTITUTION'S PROGRAM NAME	CREDITS REQUIRED*
Alpena Community College	51.0716	MEDICAL ADMINISTRATIVE/EXECUTIVE ASSISTANT AND MEDICAL SECRETARY.	MIS/BIS	62
