

MITRANSFER PATHWAYS

ARTICULATION AGREEMENT

PUBLIC HEALTH

TO: MiTransfer Pathway Public Health Participating Institutions

FROM: Michigan Community College Association, Michigan Association of State Universities, Michigan Independent Colleges and Universities

SUBJECT: MiTransfer Join/Modify Summary

The MiTransfer Pathways agreement, signed on August 3, 2020 provides for institutions to modify worksheets and equivalencies or join the MiTransfer Pathways agreement. The MCCA, MASU, and MICU worked with institutions to make the following adjustments to the Public Health Pathway:

CYCLE	INSTITUTION	JOINING/ MODIFYING	APPENDIX A COMMUNITY COLLEGE WORKSHEET CHANGE	APPENDIX B UNIVERSITY WORKSHEET CHANGE	APPENDIX C EQUIVALENCY CHANGE	APPENDIX D EXCEPTION CHANGE

MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PUBLIC HEALTH

OVERVIEW

In Fall 2017, the Michigan Community College Association (MCCA) and the Michigan Association of State Universities (MASU) received a one-time appropriation from the state of Michigan to support the development of multi-institutional associate to bachelor's degree transfer pathways. MCCA and MASU in partnership with the Michigan Independent Colleges and Universities (MICU) and the Michigan Association of Collegiate Registrars and Admissions Officers (MACRAO) convened the Transfer Steering Committee with more than 30 representatives from colleges and universities from across the state to develop the MiTransfer Pathways project. The MiTransfer Pathways project plan selected 12 programs with high enrollment and/or high labor market demand. The goal of the project was to build multi-institutional transfer pathways so students can enroll at any participating community college, complete an associate degree, transfer, and complete a bachelor's degree in the identified program of study.

In spring and fall of 2019, public health faculty from community colleges, public universities, and independent colleges and universities in Michigan met to identify courses that are required, recommended, optional or appropriate in the first and second year of the bachelor's degree programs at all participating universities. We refer to these commonly required courses as "MiTransfer Pathways courses." The MiTransfer Pathways courses in public health are:

- Community Health
- Introduction to Public Health
- Introduction to Psychology
- Introduction to Sociology
- Nutrition
- Personal Health/Wellness

These courses have been reviewed by receiving institutions and will be accepted for transfer and applied to the public health program at all participating institutions (unless otherwise indicated in this agreement). The participating institutions agreed to establish direct equivalencies between these courses. Direct equivalencies are established when a course at the sending institution transfers as a direct equivalent to the course at the receiving institution and the credit is transcribed as a department and number (i.e. PSY 105) instead of department and no number (i.e. PSY GEN or PSY 100X). Direct equivalency is preferred because students can see how the transferred course applies to the degree program.

In addition to identifying MiTransfer Pathways courses as described above, the faculty also identified Remaining Degree Requirements. The Remaining Degree Requirements identified by receiving institutions (universities) include courses that students can transfer from the community college but were not identified as MiTransfer Pathways courses because they were not accepted at every

MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PUBLIC HEALTH

participating receiving institution. The Remaining Degree Requirements identified by sending institutions (community colleges) included courses or requirements that meet community college degree requirements but will not necessarily transfer to participating universities. Participating institutions submitted program worksheets (see Appendices A and B) that outlined these courses. Participating institutions will use these worksheets to communicate requirements to students.

TERMS OF THE AGREEMENT

1. This agreement is effective on August 3, 2020.
2. Participating institutions agree that all courses must be completed with a grade of C (2.0) or better unless otherwise indicated by the receiving institution.
3. Participating institutions agree that to use this agreement, students must apply and be admitted to the participating institution and to the program if the program requires secondary admission. Receiving institutions agree to communicate the application process for institution and program admissions for transfer students on a publicly available website and through advising.
4. Participating institutions agree to accept the Michigan Transfer Agreement (MTA) in accordance with the institutions' MTA policy.
5. Participating institutions agree to award equivalent credit for MiTransfer Pathways courses (see Course Equivalency Matrices in Appendix C) and apply courses to the bachelor's degree requirements unless otherwise noted in the Course Equivalency Exceptions documented in Appendix D. If no direct equivalent exists because the course is not offered or required at the receiving institution, then the receiving institution agrees to accept the course and apply the course toward the public health degree program. If the community college does not offer the course, the community college should communicate this information to students on a publicly available website and/or the Michigan Transfer Network at mitransfer.org and help students find an equivalent course at other institutions.
6. Participating institutions agree to upload course equivalencies for MiTransfer Pathways courses to the Michigan Transfer Network at mitransfer.org.
7. Receiving institutions agree to accept the Remaining Degree Requirements as outlined in the receiving institutions' Program Worksheet included in Appendix B. Participating institutions agree to work toward awarding direct equivalency for Remaining Degree Requirements, apply courses to the bachelor's degree requirements, and add course equivalencies to the Michigan Transfer Network.

MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PUBLIC HEALTH

8. Sending institutions agree that Remaining Degree Requirements identified by community colleges that are not required by the receiving institution may not transfer or may not apply to bachelor's degree requirements at the receiving institution.
9. Alternative credit awarded by the sending institution through AP, CLEP, IB, credit earned through credit for prior learning, or other means may be accepted and applied to the degree program at the discretion of the university. Sending institutions may apply alternative credit to the associate degree, but students should confirm whether or not credit is acceptable at receiving institutions.
10. Students may earn credit from multiple institutions as long as the course was completed at a sending institution that is participating in the agreement. There is no assurance that credits earned from institutions not participating in the agreement will apply.
11. Participating institutions agree to maintain up-to-date course equivalencies and information about their participation with this agreement. This information will be made publicly available through their own systems and on the mitransfer.org website.
12. In the performance of their respective duties and obligations under this Agreement, each Party is an independent contractor, and neither is the agent, employee, or servant of the other. Each is responsible only for its own conduct.

MITRANSFER PATHWAYS ARTICULATION AGREEMENT: PUBLIC HEALTH

MAINTENANCE AND REVIEW

Modifications to Worksheets and Equivalencies

Colleges and universities will use the worksheets in Appendix A and B as the basis to advise transfer students. Any changes to program worksheets in Appendix A and B should be communicated to participating institutions as soon as possible to avoid students completing courses that will not transfer.

Changes may include:

- Adding programs in the pathway (e.g., add Environmental Studies to the Biology pathway);
- Modifying, removing, or adding MiTransfer Pathways courses;
- Modifying, removing, or adding courses to the Remaining Degree Requirements;
- Materially modifying the educational experience or content of the MiTransfer Pathways courses.

If any of the aforementioned changes occur, participating institutions are expected to communicate with their sector representative from the Michigan Association of State Universities (MASU), Michigan Community College Association (MCCA), or Michigan Independent Colleges and Universities (MICU). These changes will be vetted among participating institutions, including reviewing and establishing equivalencies where needed. Changes to the worksheets and equivalencies will be documented and available at mitransfer.org website.

Joining the Agreement

Institutions can join the agreement at any time and should contact their sector representative at the Michigan Association of State Universities, the Michigan Community College Association, or the Michigan Independent Colleges and Universities. Institutions that join the agreement will be required to comply with the terms of the agreement.

Renewing the Agreement

This agreement will be up for renewal on June 30, 2022. The Michigan Community College Association, the Michigan Association of State Universities, and the Michigan Independent Colleges and Universities agree to coordinate renewal of this agreement during the 2021-2022 academic year. Participating institutions may choose to leave the agreement at that time.

ASSOCIATE DEGREE PROGRAM INFORMATION

Institution	Delta College
Degree/Program	Associate in Arts
Credits Required	62

MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at www.mittransfer.org.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Public Health MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

MiTRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 211W	Introduction to Psychology	4 (MTA)
Introduction to Sociology	SOC 211 W	Principles of Sociology	3
Introduction to Public Health	Not Offered		0
Community Health	Not Offered		0
Nutrition	LWT 210 or LW 222	The Science of Optimal Living or The Science of Nutrition & Exercise	3
Personal Health/Wellness	LW 221 or LW 220 & Any LWA	Fitness & Wellness or Lifelong Wellness & LWA Activity	2

REMAINING DEGREE REQUIREMENTS

These are additional associate degree requirements that are not MTA or MiTransfer Pathways courses. They might not be accepted for transfer by universities participating in the agreement.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
		Remaining hours

Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at www.mitransfer.org.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Public Health MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

MiTRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSYC 1010	Introductory Psychology	4
Introduction to Sociology	SOCY 1010	Principles of Sociology	4
Introduction to Public Health	WHES 2086	Health Promotion and Education	3
Community Health	WHES 2024	Community and Environmental Health	3
Nutrition	WHES 2015	Nutrition	3
Personal Health/Wellness	WHES 2022	Lifestyle, Behavior & Disease	3

REMAINING DEGREE REQUIREMENTS

These are additional associate degree requirements that are not MTA or MiTransfer Pathways courses. They might not be accepted for transfer by universities participating in the agreement.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Program	BIOL 2710	Human Physiological Anatomy	6
Program	WHES 2032	Cardio Group Fitness	3
Program	WHES 2042	Strength Training & Health	2
Program	WHES 2070	Prevention, Intervention & Treatment of disease, illness & injury	3
Program	WHES 2085	Stress Management	2
Program	WHES 2050	Mental Health and Drugs	3
Program	WHES 2016	Exercise, Nutrition & Weight Management	3
		Remaining hours	22

ASSOCIATE DEGREE PROGRAM INFORMATION

ADVISING NOTES

Please indicate any advising notes for students following this transfer pathway at your institution.

- We do not offer a BA in Public Health; therefore, there are no direct transfer equivalent courses for Intro to Public Health or Community Health.
- Personal Health/Wellness is a General Education requirement; three possible courses are listed that meet this requirement.
- The remainder of the courses listed are the 100-200 level courses that would be used for students who were interested in completing a Health Science major in two years.

Community Health	Our Public Health major does not require a Community Health Course. However, a transfer course in this area could count as a Health Care Elective.		3
Nutrition	Our Public Health major does not require a nutrition course. However, a transfer course in this area could count as a Health Care Elective.		3
Personal Health/Wellness	HCR 203	Personal Health	3

REMAINING DEGREE REQUIREMENTS

These are required, recommended, or optional courses that transfer students could complete at a community college to fulfill degree requirements at the university/ receiving institution.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Program Requirement	HCR 201	Intro. to Health Careers	1
Program Requirement	PSY 313	Developmental Psychology	3

BACHELOR'S DEGREE PROGRAM INFORMATION

Institution	Wayne State University
Degree/Program	Public Health – Bachelor of Science (BSPH)
Credits Required	120

MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at www.mittransfer.org.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Public Health MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

MiTRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 1020	Elements of Psychology	3
Introduction to Sociology	SOC 1010	Understanding Human Society	3
Introduction to Public Health	PH 2100 (Major Requirement)	Introduction to Public Health	3
Community Health	Not required – (See advising note)		
Nutrition	Not required – (See advising note)		
Personal Health/Wellness	Not required – (See advising note)		

REMAINING DEGREE REQUIREMENTS

These are required, recommended, or optional courses that transfer students could complete at a community college to fulfill degree requirements at the university/ receiving institution. Add additional lines as necessary.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Program Requirement	Completion of 1010 and 1020 courses or higher in any foreign language.	Proficiency is demonstrated by completing courses numbered 1010 and 1020 in one of the following subject area codes: ARB, ARM, CHI, FRE, GER, GKA, GKM, HEB, ITA, JPN, LAT, POL, RUS, SPA, SWA, and UKR	8
Program Requirement	STA 1020	Elementary Statistics	3

ADVISING NOTES

Please indicate any advising notes for students following this transfer pathway at your institution.

Note: Community Health/Nutrition/Personal Health/Wellness - WSU's Public Health major does not require a Community Health, Nutrition or Personal Health/Wellness Course. However, a transfer course in these areas could count towards the required 6-8 elective credits for the Public Health major. Here is a list of all approved [Public Health elective courses](#).

Wayne State's Bachelor of Science in public health program offers training in public health issues and policies to students interested in a broad range of health careers. A public health curriculum can teach us about the safety and well-being of individuals, families, and entire populations – both now and for generations to come.

BSPH Major Requirements:

- Candidates must complete 120 credits in course work including satisfaction of the [University General Education Requirements](#) and the [College of Liberal Arts and Sciences Group Requirements](#), as well as the [Departmental major requirements](#).
- Students must receive a grade of C or better in all Public Health core courses and a C- or better in all approved electives. A grade point average of 2.0 (C) in both Public Health and general required courses are required for graduation. **A grade of C or better is required for all transfer courses.**
- Students wishing to pursue the major or minor in Public Health should meet with an [Undergraduate Academic Advisor in Public Health](#).

BACHELOR'S DEGREE PROGRAM INFORMATION

Institution	Western Michigan University
Degree/Program	Public Health
Credits Required	81: 51 for PH major + 12 for PH program cognate courses + 18 for PH program emphasis courses

MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at www.mitransfer.org.

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Public Health MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

MiTRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 1000	Introduction to Psychology	3
Introduction to Sociology	SOC 2000	Principles of Sociology	3
Introduction to Public Health	PH 2310	Public Health Needs and issues	3
Community Health	NOT REQUIRED		
Nutrition	NOT REQUIRED		
Personal Health/Wellness	HOL 1000	Choices in Living	3
	or HPHE 1110	Healthy Living	2

REMAINING DEGREE REQUIREMENTS

These are required, recommended, or optional courses that transfer students could complete at a community college to fulfill degree requirements at the university/ receiving institution.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
Program Cognate/Gen Ed	SOC 2100	Modern Social Problems	3
Program Cognate	or SOC 3200	Intro to Social Psychology	3
Program Cognate/Gen Ed	BIOS 1120	Principles of Biology	3
Program Cognate	or BIOS 1910	Intro to Anatomy & Physiology	3
Program Emphasis Area/Gen Ed	PH 2340	Biomedical Ethics	4
Program Emphasis Area/Gen Ed	ADA 2250	Drug Use: Personal and Social Impact	3
Program Emphasis/Gen Ed	COM 2000	Human Communication Theory	3
Program Emphasis	FCS 2100	Human Sexuality	3
Program Emphasis	or PSY 4240	Psychology of Human Sexuality	3

Program Emphasis/Gen Ed	HSV 2250	Lifespan Development	3
Program Emphasis/Gen Ed	GRN 1000	Introduction to Gerontology	3
Program Emphasis/Gen Ed	PSY 1400	Introduction to Behavioral Analysis	3
Program Emphasis	PSY 1600	Child Psychology	3
Program Emphasis	PSY 2500	Abnormal Psychology	3
Program Emphasis/Gen Ed	PSY 4630	Health Psychology	3
Program Requirement	PH 2340	Biostatistics	3
Program Requirement/Gen Ed	or STAT 3600	Data Analysis for Biosciences	4

Intro to Public Health	ANDREWS UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	ANDREWS UNIVERSITY	MACOMB COMMUNITY COLLEGE	Focus of the course is on health promotion and education rather than public health
Intro to Public Health	ANDREWS UNIVERSITY	MUSKEGON COMMUNITY COLLEGE	New course at Muskegon; equivalency evaluation pending
Intro to Public Health	ANDREWS UNIVERSITY	NORTH CENTRAL MICHIGAN COLLEGE	New course at NCMC; equivalency evaluation pending

Intro to Public Health	EASTERN MICHIGAN UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	EASTERN MICHIGAN UNIVERSITY	MACOMB COMMUNITY COLLEGE	Macomb's course is focused on a single dimension of public health (health education); does not cover the core disciplines of public health (including epidemiology and environmental health)
Intro to Public Health	FERRIS STATE UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	FERRIS STATE UNIVERSITY	LAKE MICHIGAN COLLEGE	New course at Lake Michigan; equivalency evaluation pending
Intro to Public Health	FERRIS STATE UNIVERSITY	MACOMB COMMUNITY COLLEGE	This course is not an introduction to public health course that typically includes content such as epidemiology but is a health promotion course that includes theoretical models of health promotion.
Intro to Public Health	FERRIS STATE UNIVERSITY	NORTH CENTRAL MICHIGAN COLLEGE	New course at NCMC; equivalency evaluation pending
Intro to Public Health	FERRIS STATE UNIVERSITY	MUSKEGON COMMUNITY COLLEGE	New course at Muskegon; equivalency evaluation pending
Intro to Public Health	N/A	DELTA COLLEGE	No Course
Intro to Public Health	N/A	GLEN OAKS COMMUNITY COLLEGE	No Course
Intro to Public Health	N/A	GOGEBIC COMMUNITY COLLEGE	No Course
Intro to Public Health	N/A	LANSING COMMUNITY COLLEGE	No Course
Intro to Public Health	N/A	NORTH CENTRAL MICHIGAN COLLEGE	No Course
Intro to Public Health	N/A	OAKLAND COMMUNITY COLLEGE	No Course
Intro to Public Health	N/A	SCHOOLCRAFT COLLEGE	No Course
Intro to Public Health	N/A	SOUTHWESTERN MICHIGAN COLLEGE	No Course
Intro to Public Health	N/A	WASHTENAW COMMUNITY COLLEGE	No Course
Intro to Public Health	N/A	WAYNE COUNTY COMMUNITY COLLEGE DISTRICT	No Course

Intro to Public Health	THE UNIVERSITY OF OLIVET	GRAND RAPIDS COMMUNITY COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	HENRY FORD COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	JACKSON COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	KALAMAZOO VALLEY COMMUNITY COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	LAKE MICHIGAN COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	MACOMB COMMUNITY COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	MID MICHIGAN COLLEGE	No Course
Intro to Public Health	THE UNIVERSITY OF OLIVET	MUSKEGON COMMUNITY COLLEGE	No Course
Intro to Public Health	NORTHERN MICHIGAN UNIVERSITY	GRAND RAPIDS COMMUNITY COLLEGE	EXS 225 is equivalent to our community health course (HL 240) which also meets a program requirement
Intro to Public Health	NORTHERN MICHIGAN UNIVERSITY	JACKSON COLLEGE	BIO 140 is equivalent to our community health course (HL 240) which also meets a program requirement
Intro to Public Health	NORTHERN MICHIGAN UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	NORTHERN MICHIGAN UNIVERSITY	LAKE MICHIGAN COLLEGE	HEAL 201 is looking at the broad public health systems where our HL 110 is examining health and fitness specifically This course will transfer as HL 1009 and can count as a required general elective
Intro to Public Health	NORTHERN MICHIGAN UNIVERSITY	NORTH CENTRAL MICHIGAN COLLEGE	New course at NCMC; equivalency evaluation pending
Intro to Public Health	UNIVERSITY OF MICHIGAN-DEARBORN	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	UNIVERSITY OF MICHIGAN-DEARBORN	LAKE MICHIGAN COLLEGE	New course at Lake Michigan; equivalency evaluation pending

Intro to Public Health	UNIVERSITY OF MICHIGAN-DEARBORN	MUSKEGON COMMUNITY COLLEGE	New course at Muskegon; equivalency evaluation pending
Intro to Public Health	UNIVERSITY OF MICHIGAN-FLINT	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	UNIVERSITY OF MICHIGAN-FLINT	LAKE MICHIGAN COLLEGE	New course at Lake Michigan; equivalency evaluation pending
Intro to Public Health	UNIVERSITY OF MICHIGAN-FLINT	MACOMB COMMUNITY COLLEGE	Course is an introduction to health and wellness, not public health
Intro to Public Health	UNIVERSITY OF MICHIGAN-FLINT	NORTH CENTRAL MICHIGAN COLLEGE	New course at NCMC; equivalency evaluation pending
Intro to Public Health	WAYNE STATE UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	WESTERN MICHIGAN UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Intro to Public Health	WESTERN MICHIGAN UNIVERSITY	GRAND RAPIDS COMMUNITY COLLEGE	Is not a direct equivalent but we will grant PH credit. EXS225 transfers in as HPHE 3160 ISSUES IN HEALTH EDUCATION
Intro to Public Health	WESTERN MICHIGAN UNIVERSITY	MACOMB COMMUNITY COLLEGE	Neither course WHES 2086 nor 2024 matches WMU courses.
Nutrition	ANDREWS UNIVERSITY	WASHTENAW COMMUNITY COLLEGE	WCC new to the pathway; course not yet evaluated
Nutrition	CENTRAL MICHIGAN UNIVERSITY	KALAMAZOO VALLEY COMMUNITY COLLEGE	Joined Fall 2021; course not yet evaluated
Nutrition	EASTERN MICHIGAN UNIVERSITY	DELTA COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	GLEN OAKS COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	GOGEBIC COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	GRAND RAPIDS COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.

Nutrition	EASTERN MICHIGAN UNIVERSITY	HENRY FORD COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	JACKSON COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	LAKE MICHIGAN COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	LANSING COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	MACOMB COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	MUSKEGON COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.

Nutrition	EASTERN MICHIGAN UNIVERSITY	NORTH CENTRAL MICHIGAN COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
Nutrition	EASTERN MICHIGAN UNIVERSITY	OAKLAND COMMUNITY COLLEGE	Not Required; Course in this area would count toward the 27-28 hours of additional coursework required prior to admission into the Public Health Major.
